

Help and support for Families

We recognise that at times families may need some extra help, signposting or support, often this can be from friends, family or someone in the community but sometimes more may be required. Below are some of the places you might be able to find out more about the right support for your child and family.

Schools Offer

At Burghill Community Academy our partnership with our parents and families is important to us. It is vital that we work together in order to support families through difficult times. If you would like support for your family and may be interested in Early Help please come and talk to Mrs E Potter. We can advise about what services are available to you or complete a referral together.

Children's Help and Advice Team (CHAT).

CHAT

Often families can solve their own problems, at times they may need support. If you need any advice or support for your child or your family, we recommend you share your worry with a professional you feel comfortable talking to or call CHAT (Children's Help and Advice Team within Early Help) if that works better for you and speak to an advisor.

A CHAT advisor can give advice over the phone, send you out information and signposting, or if needed, arrange a package of support through an Early Help Assessment to access a family support worker if required. This could include support from Children's Centre Services (for families with children aged 5 or under) or Early Help Family Support (for families with children 0-18, or up to 25 years with SEND)
